## CHANGE FOR LIFE 2011

Help Care Net Centers by supporting our Change for Life campaign. Empty baby bottles need your loose change! Simply pick up a bottle and return it to your church by Father's Day.

**It's that easy!**

The money will provide our Brunswick, Jesup, and Kingsland Centers the funds to continue:

**To reach abortion minded women with the message of life.**

**To provide practical support for mothers in need.**

**To proclaim the Gospel of Jesus Christ.**

**To supply healing for those struggling with past abortion regrets.**

**To empower youth to postpone sex until marriage.**
