

Care Net Change for Life '11 Campaign

Did you know Care Net...

- Celebrates Nineteen years of Ministry in 2011
- Care Net has served over 11,000 clients in Southeast Georgia
- Two of Care Net's three centers now offer Medical Services including STD testing & Ultrasound

It's Time for the 10th Annual Change for Life Campaign to Begin!

Thank you so much for participating in our 10th Annual Care Net Change for Life Campaign. Women facing unplanned pregnancies have many needs – your loose change can change lives!

It's simple. Beginning Sunday, May 8th (Mother's Day) until Sunday June 19th (Father's Day), or at the time most convenient for your church, baby bottles will be filled with change, cash or checks to support this life saving ministry.

One bottle filled with silver can hold up to \$50 in change!

Care Net Pregnancy Center exists to demonstrate and share the life-changing message of Jesus Christ by providing practical help and loving support to those facing an unplanned pregnancy. Thus, your participation in the Change for Life Campaign will benefit literally thousands of women, men and children in the coming years. The change will provide Care Net Pregnancy Center with funds to continue to operate three centers in Brunswick, Jesup and Kingsland.

Promotion, Distribution & Collection of Bottles

1. Baby Bottles are to be distributed on Mother's Day, Sunday, May 8th and returned on Father's Day, Sunday, June 19th, 2011 (or at the time most convenient for your church).
2. Your church can determine its most convenient distribution method. Be creative!
3. We believe the most effective way is for your pastor to describe the promotion from the pulpit, tell the members about the work of the center and have volunteers stationed at each exit to distribute the bottles at the end of the service. However, some churches choose to distribute them through Bible study classes, which also works well.
4. Determine a secure location for members to return the bottles, such as a decorated crib in the foyer!
5. This packet will give your pastor information about the work done at Care Net and how the donations are used.
6. Be careful lifting the filled bottles as they are very heavy in large quantities.
7. A representative from Care Net will collect the bottles at the time convenient for your church or you can return them to any of our three Centers.

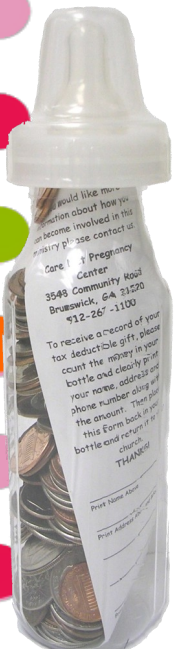

The following are some suggestions on how your church might publicize the Campaign.

- Insert announcements in church bulletins/publications. These will be posted at www.ourpartners.org, under the "Change for Life Baby Bottle Resources" link.
- Copy and use the bulletin inserts and flyers prior to or during the Baby Bottle Campaign.
- Set up a display to promote the fund-raiser.
- Remind participants that their gift may be given in honor or in memory of their mother/father and Care Net will send the honorees a card to let them know about this gift.
- Announce the Campaign at church services each week if possible.
- A PowerPoint slide will be available to use for promotion each week.

Small Displays in public areas help promote the campaign. Some churches decorate a crib in the foyer for a Bottle return area.

Spare Change-Can Change Lives!

Sample Flyer—All Flyers & Inserts online at www.ourpartners.org

Promotion Kit Items

- Bulletin Inserts & Flyers to use in Church Publications (also located on Care Net’s web site at www.ourpartners.org)
- PowerPoint Slides that can be used each week during the Campaign are located on the website & disc are available upon request

Church Bulletin Inserts

We will gladly provide the requested number of one color inserts your church needs or you may go online and print them in full color if you wish. Flyers provided in full color.

Please use the PINK insert on the 1st Sunday of the Campaign on Mother’s Day—May 8th to explain the fund-raiser.

Please use the BLUE insert the week BEFORE the last Sunday - June 12th, to remind participants to return the bottles on Father’s Day.

“Amazing—such a simple thing as a Baby Bottle filled with spare change can have such a impact on so many lives!”

Care Net’s Mission

Care Net Pregnancy Center is a Christ-centered ministry dedicated to advancing the Sanctity of Human Life and sexual purity.

Care Net exists to demonstrate and share the life-changing message of Jesus Christ by providing practical help and loving support to those facing unplanned pregnancy. Care Net’s three centers in Southeast Georgia impact lives by...

- **Informing** those in unplanned pregnancy of options and help available to them.
- **Encouraging** girls, women, men and families in an unplanned pregnancy or pregnancy loss by providing personal and practical help for their physical, emotional, and spiritual needs.
- **Educating** individuals, students, or our community by advocating sexual purity as a positive lifestyle.
- **Offering** restoration and healing through Jesus Christ.

Services Provided

- Free pregnancy testing/ consultation.
- Limited STD/STI test and treatment.
- Limited Obstetrical Ultrasounds to confirm viable pregnancies.
- Education on pregnancy, adoption, abortion, and parenting.
- Clothing and furnishings for mother and baby.
- Referrals for adoption, childbirth classes, medical care, legal assistance, community services, and social services.
- Post abortion counseling, support education, post abortion support groups.
- Ongoing counseling and friendship throughout and after pregnancy.
- After school character based abstinence clubs and programming.
